

WEEKLY UPDATE

10/14/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had two residents and zero staff members test positive for COVID-19. We had one resident who was Asymptomatic graduate to the observation unit. This person will soon return to their normal room.

As you know, we have been preparing to safely allow visitors at our facility and we are so excited to for you to see your loved ones. As we previously reported, there are many factors that determine when a facility can open up for visitors, up to and including our county's COVID-19 positivity rate, residents' health status, or if there is a COVID outbreak in the facility.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-251-2200

Sincerely,

Tanella Valenzuela

WEEKLY UPDATE
10/1/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We conducted facility wide testing 10/1/2020 as part of our continuing effort to keep our residents safe.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-251-2200

Sincerely,

Tanella Valenzuela

WEEKLY UPDATE

10/21/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that today, we have no new confirmed cases of COVID-19 in our facility. As we previously reported, we have had 2 residents and 9 employees who test positive for COVID-19. We will continue weekly testing per CMS requirements and we will continue to work diligently with our health officials to prevent any further spread of the virus in our facility.

We are excited that we can soon welcome you back for visits with your loved ones! While our residents cannot wait to see you and we are looking forward to having our family members back at the facility, please understand visitations will be conducted very differently than in the past for the purpose of protecting our residents and staff's safety, as well as your own. As such, and in line with the most recent recommendations from CMS, please read below for some general visitation requirements and information that you should know prior to visiting your loved one.

At all times, especially during visitations, our facility will practice and enforce the core principles of COVID-19 infection prevention ("Core Principles"), which include but are not limited to screening all visitors for signs and symptoms of COVID and ensuring that visitors (1) practice hand hygiene; (2) use face coverings or masks that cover the mouth and nose; and (3) practice social distancing of at least six feet apart during the visit. Also, our facility staff will clean and disinfect high frequency touched surfaces and designated visitation areas after each visit and they will use appropriate PPE at all times.

Letters with all of the visitation details are being sent so be on the lookout, and please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-251-2200

Sincerely,

Tanella Valenzuela

WEEKLY UPDATE AND NOTIFICATION OF NEW CASE
10/9/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility as well as notification that we received confirmation yesterday that resident tested positive for COVID-19.

While we are disappointed that COVID-19 is in our facility after we have worked so hard to prevent the spread of this virus, we are following the recommendations of our federal, state and local health officials and working hard to prevent further spread of this virus.

As a reminder, everyone that enters the facility is screened for signs and symptoms of illness prior to entering the building, all residents are continually monitored, Housekeeping is performing regular deep cleanings of the facility, staff receives education and wears personal protective equipment (PPE) as recommended by the CDC, group activities have been suspended and staff is providing individual activities for residents, we are implementing isolation protocols as required, and we encourage staff to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-251-2200

Sincerely,

Tanella Valenzuela
